BRAND

INDOOR PEST CONTROL

GENERAL INFORMATION Kills: Ants (Argentine, Pharaoh), Aphids (Green Peach), Beetles (Asian Lady, Black Carpet, Cigarette), Boxelder Bugs, Cat Fleas (Adults), Cockroaches (American, German, Oriental, Smokey Brown), Earwigs (European), Flies (House, Stable, Red Fruit Fly Adults), Hornets (Bald Faced), Mites (Poultry), Mosquitoes, Moths (Clothes, Diamondback), Silverfish, Spiders (House), Stink Bugs (Brown Marmorated), Ticks (Brown Dog), Wasps (Yellow Jacket) and Whiteflies (Silverleaf).

DIRECTIONS FOR USE

Read entire label prior to use and use product as directed. Shake well before use. Spray surfaces to be treated from a distance of 8-12 inches, directly spraying listed pests. Use 2-4 trigger sprayer pumps, depending upon number of pests, and thoroughly wet listed pests, but not to the point of saturation/runoff.

Pantries, cupboards, closets: Before applying product to pantry, cupboards, cabinets or closets, remove items to allow best access and prevent treating non-target items. Directly contact harboring pests. Repeat as necessary.

For general indoor treatments: Set nozzle on the "spray" setting and directly spray pests. Adjust the nozzle to the "stream" setting and directly spray pests hiding in cracks and crevices throughout the house, including cracks behind baseboards, cracks inside of furniture and cracks/crevices around cabinets. Also spray any accessible areas behind appliances and cabinets, around trash cans, around window and door frames, and in attics/basements/crawlspace.

STORAGE & DISPOSAL

STORAGE: Store at room temperature away from children and pets. **DISPOSAL:** When container is empty, recycle if available or dispose of in trash. If partly filled, call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

CAUTION: Avoid breathing mist/vapors/spray. Avoid contact with skin and eyes as product may cause irritation or allergic reaction in some individuals. Do not spray on people, pets or plants.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first five minutes, then continue rinsing eye. If irritation persists, call a physician for treatment advice. **IF ON SKIN**

OR CLOTHING: Wash skin thoroughly with soap and water. Wash contaminated clothing before reuse. If irritation persists, call a physician for treatment advice.

IF INGESTED: Rinse mouth out with water. Do not induce vomiting. Call a physician for treatment advice.
